

NEER DAAN PROGRAM

The Millennium Development Goals (MDGs) of the United Nations have set us on a common course to push back poverty, inequality, hunger and illness. The world has pledged to reduce by half, proportion of people without sustainable access to safe drinking water and basic sanitation. We have now entered into the International Decade for Action: **Water for Life (2005–2015)**. In this decade for action, the challenge for us are mainly three:

- To maintain the gains already made
- To push ahead quickly to provide drinking water and sanitation services to the billions of people living in rural areas who have no such services
- To accelerate the successful efforts in urban areas to keep pace with the rising urban population, particularly by focusing on low income and disadvantaged groups

Urged by this burning need to enable citizen's access to quality drinking water, a passionate and socially sensitive group of young professionals have come forward to initiate a citizen's action for Safe Drinking Water and Sanitation under the umbrella of Neer Foundation.

NEER DAAN PATRONAGE (INR 51,000)

Through the Neer Daan Patronage program, you can adopt schools and sponsor the cost of Water Purification Systems, its installation and maintenance. All the Neer Daan Patrons would be featured in the Website of Neer Foundation (www.neerfoundation.org) with their profiles and the adopted schools will specific mention of the contribution. All the water purification systems in the schools will bear the donor's name or logo with a patronage message.
